

February 27, 1978

LB 892, 187

DeCamp to whom was referred LB 892 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File with amendments. Mr. President, Senator Venditte asks unanimous consent to bracket LB 187 until March 10, 1978.

SENATOR MARVEL: Senator Venditte has a request to bracket LB 187 until, when?

CLERK: March 10, Mr. President.

SENATOR MARVEL: Is this a unanimous consent request?

CLERK: Yes, sir.

SENATOR MARVEL: Is there an objection? Senator DeCamp, do you object?

SENATOR DeCAMP: No, I am easy to get along with today.

SENATOR MARVEL: Senator Lewis, do you object? Senator Frank Lewis objects. Do you wish to be heard on the bill, Senator Lewis? Senator Venditte, we are considering your motion to bracket LB 187 and the motion is unanimous consent and Senator Frank Lewis objects. Do you want to move that it be bracketed?

SENATOR VENDITTE: Mr. President, may I ask Senator Lewis why he objects? I just talked to the introducer of the bill and...

SENATOR MARVEL: The Chair recognizes Senator Frank Lewis.

SENATOR F. LEWIS: Mr. President, I know that this has been done with the other bill and my question, first of all, I have to Senator DeCamp. Let's get this all over with in one day. Senator DeCamp, have you moved to bracket your bill?

SENATOR DeCAMP: Which one?

SENATOR F. LEWIS: 187.

SENATOR DeCAMP: 187 is my bill. That is what is up right now. Senator Venditte has asked unanimous consent to bracket it and I said okay (interruption) this squared away.

SENATOR F. LEWIS: I am sorry. I am sorry. I thought it was an attempt to bring the other one up, Pat, your bill. Mr. President, I apologize for making the objection. I wanted to hear both of them at the same time and get it over with.

SENATOR VENDITTE: Well, I would certainly be happy to bring LB 808 to General File, too, Senator Lewis.

SENATOR F. LEWIS: I didn't know where it was.

SENATOR VENDITTE: It is lost somewhere in the bottom of General File, which I doubt very much we will (interruption).

SENATOR F. LEWIS: I think we ought to debate that issue together, one way or another.

SENATOR DeCAMP: Fine.
